Project Proposal

House numbers painted on the curbs in Murdock Neighborhood

Select a Category

Sidewalks and Public Safety

Purpose

There are 875 houses in the Murdock Neighborhood. Many of them have unreadable numbers or none at all on the curbs in front of their homes.

In an emergency it is difficult for first-responders to find a home they are being called to.

Location in District 1

Curbs on the streets in the Murdock Neighborhood, bordered by Johnson Ave., Bollinger Ave., Lawrence Expressway, and Lynbrook High School.
