Project Proposal

Proposed: 2 Flashing Digital Speed signs on Johnson Avenue

Select a Category

Sidewalks and Public Safety

Purpose

Johnson Avenue has become a super highway between Prospect & Bollinger because of speeding traffic from Highway 85 to Apple Computer. Cars are travelling at 40 mph and over.
Children are at risk as they cross Johnson Avenue to get to school at Dilworth and Miller
The speed notice signs will prompt the drivers to SLOW DOWN!

Location in District 1

Signs to be on Johnson Avenue between Rainbow and Bollinger.
