<b>Purpose</b>
With W.O.N.A. being a leader in community activism, our logo placed in a prominent boundary entry - exit point would be appropriate. This is the only public space wall within W.O.N.A. boundaries, aside from the Cypress Senior Center where this could occur. This would be our southern boundary marker.
<b>Location in District 1</b>
North facing wall directly visible from ground level entry to the Cypress Pedestrian overpass at 280
