Project Proposal

Add (return) swing to senior center area

Select a Category

Parks & Recreation

Purpose

There used to be a swing at the south edge of the senior center, located at Cypress and Judro. At a recent meeting, our group agreed it would be nice to return the swing to this area. It was located on a cement pad at the south end of the parking lot, near the SW corner of Cypress and Judro.
I am not sure if this property is city-owned.

Location in District 1

50 feet west of the SW corner of Cypress and Judro, Cypress Sr. Center
