Project Proposal

Digital Library Grant for the West Valley Branch

Select a Category

Education & Technology

Purpose

To increase the number of rentals a library patron can rent from the West Valley library branch in district 1. I reach my limit every month and would highly appreciate more content on His among other offerings at the library. The purpose of this proposal is to allocate \$200,000 dollars as a one time payment to the West valley library branch.

Location in District 1

West Valley library in district 1
