Project Proposal

Beautification of lawn area at Moreland Middle School

Select a Category

Parks & Recreation

Purpose

The lawn area at Moreland Middle School will be beautified via this proposal. It is meant to increase the attractiveness in the area and make better use of district 1 land. The proposal covers:

1. Five benches which students and pedestrians can use especially on the corner of Fallbrook Ave and Student Lane
2. Install LED lights on Fallbrook Ave and Student Lane to increase security for those who frequently sleep in cars and campers in this area
3. Plant 10 trees to replace those which have fallen in the past five years during storms
4. Install cameras at Moreland school to increase security
