

**Name**

Josephine Au

**Project Proposal**

More blinking lighted pedestrian crosswalk particularly near schools like Miller Middle, Meyerholz Elementary and Lynbrook high

**Select a Category**

Sidewalks and Public Safety

**Purpose**

There are a lot of students walking or biking to/from schools. And long roads like Miller Avenue or Rainbow drive are long, some without stop signs, thus a blinking lighted crosswalk would be much safer

**Location in District 1**

Miller/Bancoft
